

"For the Love of Tom Best" Legacy Fund

Tom gave his heart over and over in many ways throughout his life. With the translation of his earthly body, he was also able to donate his physical heart. So far, his donations have helped save lives, further healing or give the gift of sight to over 26 people.

Tom's next gift will be his words of wisdom and wit from his 27 years of training all over the world.

The Legacy Fund will provide seed money for organizing and developing a media collection. Planting the seeds of an NLP scholarship program for NLP classes and other trainings will be another of the many Legacy Fund projects.

We would love to have you participate in preserving and making Tom's teachings available in a variety of forms as well as ensuring that NLP and specialty trainings will continue to be accessible for those who would not otherwise get the chance. Details on the Fund projects, including the NLP scholarship fund, the completion of Tom's book and development of DVDs and CDs of the *Training Stories and Metaphors of Tom Best*, for example, will be updated at www.nlpoptions.com.

Donations can be mailed to "**For the Love of Tom Best**" Legacy Fund, 2935 Thousand Oaks, Suite 6-127, San Antonio, TX 78247. You can make checks or money orders out to 'Best Fund'.

Coming Summer 2012 – You can find details on the eBook version of *Devotional Grieving / Radical Practice*, the work from Bobbi Best which captures the devotions, practices and processes that are working for her as she navigates the challenging territory of shock, grief and devastating loss. She began recording her experience very soon after Tom's death, knowing that traversing those hours, days and weeks was a deeply painful yet richly intense and powerful time. Her dedication to her spiritual path of Standing As Love and releasing suffering is at the core of capturing this wisdom and sharing it with the world.

Facebook Group: *The Grace of Tom Best* -- As a global community we can keep going, connecting and celebrating the life and work of Tom Best and opening the circle wider. Tom helped to create many punco or "*pools of energy*" all over the world. To honor those many gifts, we can share on this forum, adding new Rainbow Seed stories or Blue Heron sightings, as well as posts and photos from the worldwide Punco Celebrations and Ceremonies. Through ongoing use of this Facebook group, we can maintain connections with people from all over the world who knew Tom - friends, students, and colleagues. You may feel the Love radiating, as you read the posts, enjoy the photos and videos, or relish the stories about this wonderful, loving man. You might even be surprised and delighted at all the ways Tom's work will live on.
